LT. GOV. STEPHEN B. PENCE
SECRETARY

To All Kentucky Law Enforcement Personnel:

The Department of Criminal Justice Training is pleased to provide the training calendar and schedule for 2006. This year, the issues surrounding Homeland Security, both in basic training and professional development will be the training focus.

It is our goal to prepare the Kentucky police community on the topic of Homeland Security. The DOCJT will offer other limited professional development, re-certification and leadership type courses during 2006, however the Homeland Security initiative will be our first priority. Regular career path and professional development classes will resume in 2007.

The Training Calendar and Schedule of classes will be provided to all law enforcement agencies within the Commonwealth. You may also access the training schedule by logging on to our website @ <http://docjt.ky.gov>

The staff at DOCJT has worked diligently to put this schedule together and provide outstanding training for all Kentucky law enforcement agencies. A tremendous thank you goes out to all those many individuals who have coordinated and developed this schedule.

We wish you a rewarding and safe training year in 2006.

Sincerely,

Horace Johnson

KENTUCKY LAW ENFORCEMENT COUNCIL

Peace Officer Training Standards

The Kentucky Law Enforcement Council is responsible for certification or approval of curricula, instructors, and schools conducting peace officer training for purposes of the Kentucky Law Enforcement Foundation Program Fund (KLEFPF) pay incentive, and the Peace Officer Professional Standards Act. The Department of Criminal Justice Training has obtained certification for all law enforcement officer courses contained in this schedule of classes. Other courses may also be approved.

Peace Officer Professional Standards

The Peace Officer Professional Standards Act establishes minimum qualifications for employment and certification as a peace officer in Kentucky. The Kentucky Law Enforcement Council has been authorized by statute to administer the certification process.

Career Development Program

The Kentucky Law Enforcement Council is also responsible for the Career Development Program. The program is open to law enforcement officers/telecommunicators, and provides structure to the training process through career tracking. The program will acknowledge and reward officers and telecommunicators whose training and academic efforts are aligned with career objectives.

To be certified, KRS 15.404 requires peace officers to successfully complete, within one year of appointment or employment, 754 hours of basic training at a school certified or recognized by the Kentucky Law Enforcement Council. This includes all full-time, part-time, and auxiliary officers, whether paid or unpaid.

Excepted from the basic training requirements are sheriffs, coroners, constables, jailers, Racing Commission security officers, and the Commissioner of State Police. Federal peace officers cannot be certified.

In-Service Training: KRS 15.404 requires peace officers annually to successfully complete 40 hours of in-service training approved by the Kentucky Law Enforcement Council. Those same employees of agencies that do not utilize the CJIS terminal are required to successfully complete the 120-hour Telecommunications Academy for the Non-Terminal Agency course within twelve months of their employment. Full-time law enforcement telecommunicators in the state of Kentucky are also required to successfully complete 8 hours of Telecommunications in-service training each calendar year thereafter (KRS 15.560(2)). Part-time trainees attending the academy will pay for meals and housing.

How To Register for a Residence Hall Room

I. HOUSING REQUEST PROCEDURES (FOR PROFESSIONAL DEVELOPMENT STUDENTS)

1. Students must be on the approved DOCJT class attendance roster to request a bed. Approximately two weeks before the start of each class the student will receive a welcome/confirmation letter from the DOCJT with a room reservation request card. The student must either complete the blue, self-addressed Thompson Hall Room Reservation card and mail via U.S. Postal Service, fax the request card to (859) 622-8638, or e-mail the request to: docjt.dorm@ky.gov. A faster means is to go on-line to the DOCJT website www.docjt.ky.gov and click on the Room Reservation Request link, which will provide the student with an immediate automated room reservation confirmation e-mail message from DOCJT.
2. Room Reservation requests must be received no later than midnight on the Thursday prior to the student's scheduled first day of training to ensure a room assignment.

TRAINING

Kentucky Justice and Public Safety Cabinet Criminal Justice Training College Credit Program

In 1998, the “Education Pays” campaign was introduced in an effort to bring awareness to Kentucky’s low national ranking in education attainment and the importance of education at all levels. The likelihood of better paychecks increases with the level of education or technical expertise. In fact, the average college graduate earns \$25,000 more per year than the average high school dropout. So, education truly pays.

Nationally, 20% of the population has a baccalaureate degree, as compared to 13% of Kentuckians and 9% of the Kentucky law enforcement community. As Kentucky law enforcement pursues more pay and better benefits through increased standards and better training, we must also increase our abilities and awareness through higher education.

The Department of Criminal Justice Training (DOCJT) has created alliances with Kentucky’s institutions of higher education and is removing barriers that traditionally impeded college enrollment. It is DOCJT’s goal for each Kentucky law enforcement officer to hold an associate’s degree at minimum and to understand the importance of higher education and quality training.

This document outlines educational opportunities for Kentucky law enforcement. Colleges and universities across the state and nation have recognized the quality, accredited training provided at the Department of Criminal Justice Training, and in response have awarded college credits for completion of basic training. Additionally, DOCJT will pay for college entrance testing for basic training recruits. These free opportunities open the door to those law enforcement officers who understand the importance of higher education and the advanced pay and knowledge it brings.

The Department of Criminal Justice Training strongly encourage each law enforcement officer to take advantage of educational and training opportunities. In an effort to assist any interested officer, Supervisor Patrick Miller has been assigned as program coordinator with responsibilities for counseling law enforcement officers on educational opportunities, creating and maintaining alliances with institutions of higher education, and integration of “Education Pays” into the Career Development Program. Please contact Mr. Miller at (859) 622-5930 or patrick.miller@ky.gov for assistance and further program details.

American College Testing (ACT):

The Department of Criminal Justice Training will pay all fees associated with the ACT college admission exam for eligible recruit officers. The ACT is a standardized, multiple-choice, college admission exam. It is accepted for admission by virtually all U.S. colleges and universities.

Eastern Kentucky University: *(PLEASE CONTACT YOUR COLLEGE ADVISOR)*

Recruits can apply to enroll as non degree-seeking students while enrolled in basic training. They may then choose to receive up to nine credit hours tuition free for completing basic police training. Furthermore, recruits who enroll at EKU after successfully completing basic training are eligible to receive an additional seven hours of EKU college credits in various topic areas at no charge.

University of Louisville:

Recruits can apply to enroll as non degree-seeking students while enrolled in basic training. They may then choose to receive up to 12 credit hours tuition free for completing basic police training.

The Union Institute and University:

Officers in Northern Kentucky may find it beneficial to take advantage of the college credit offered by the Union Institute and University in Cincinnati, Ohio. Recruits who submit official records of successful completion of the Department of Criminal Justice Training Basic Training program are eligible for 15 hours of undergraduate credit. Furthermore, an officer may be eligible for up to 12 additional semester hours based on a certified statement from the officers agency on his/her successful completion of a probationary period and further professional development courses.

Rio Salado College:

Officers who have completed the 16-week basic training course are able to obtain 39 semester hours in Law Enforcement Technology at Rio Salado College in Arizona. Students must submit a Credit by Examination Application from Rio Salado and pay \$16.75 per credit hour. Officers may then obtain their Associate of Applied Science Degree by applying to Rio Salado online at <http://policetraining.rio.maricopa.edu>. The additional 25 credit hours needed for the associates degree will be at the out of state tuition rate.

The Kentucky Community and Technical College System (KCTCS):

One of the newest partnerships that has been developed is with the Department of Criminal Justice Training and the Kentucky Community and Technical College System (KCTCS). Under the new agreement, officers who successfully complete the 16-week Basic Training program are eligible to obtain 13 credit hours toward their Associate of Arts degree at the nearest Kentucky Community College.

College Substitute for In-Service Training:

The Kentucky Law Enforcement Council will accept the completion of one, three-hour college course in lieu of in-service training once every three years. This will enable Kentucky Law Enforcement Program Fund (KLEFPF) participants to advance their education and continue to receive their annual training stipend. Participants are required to have their department head's approval, complete the course with a "C" grade or above, and attend a regionally accredited university or college.

Future Endeavors: The Department of Criminal Justice Training continues to explore other advancements in education for Kentucky Law Enforcement Officers. For 2006 these will include researching additional college credit for certain Professional Development courses being offered in 2007.

PROFESSIONAL DEVELOPMENT

KENTUCKY LAW ENFORCEMENT COUNCIL CAREER DEVELOPMENT PROGRAM

On April 2, 2002, HB 154 was signed into law, which enabled the Kentucky Law Enforcement Council to administer a Career Development Program for Kentucky's law enforcement officers and telecommunicators. Kentucky was the eighth state in the nation to have a comprehensive, statewide career development program for law enforcement, and offers the most comprehensive program for telecommunicators.

The Career Development Program provides structure to the training process through career tracking. Kentucky's program offers two career tracks for law enforcement officers, Law Enforcement Officer Track and Law Enforcement Management Track, and two career tracks for telecommunicators, Telecommunicator Track and Telecommunicator Management Track. Each track has steps of achievement that consist of required levels of training, education, and experience.
